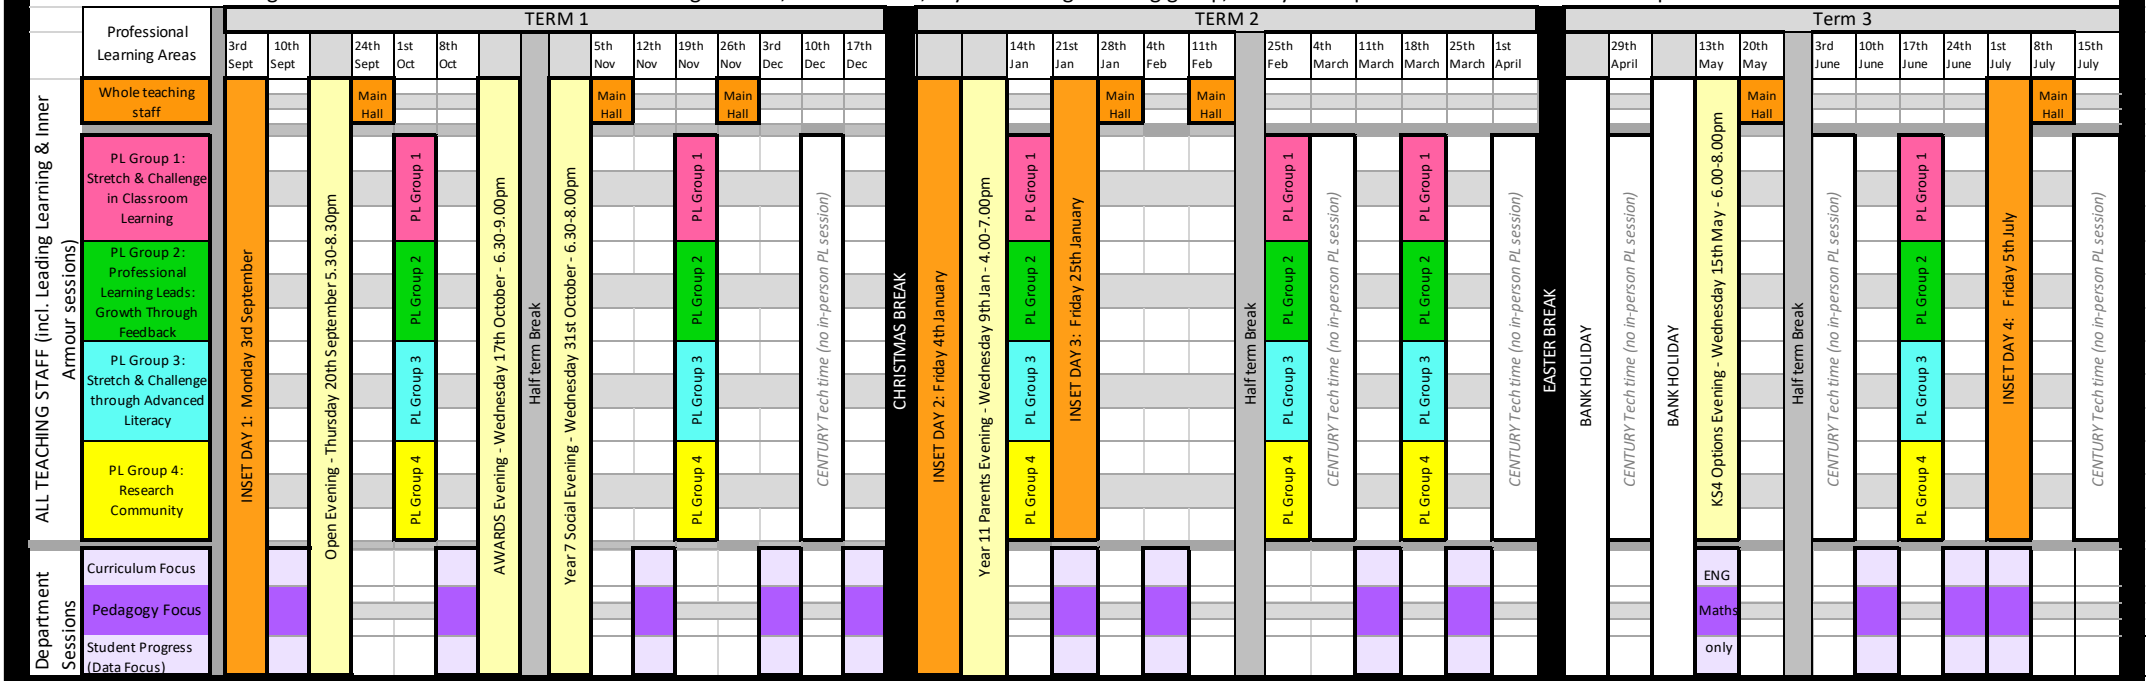
2018-2019 Passmores Professional Learning Calendar

All teaching staff are to attend ALL Professional Learning sessions, as whole staff, in your Leading Learning group, or in your Department. You also need to complete 6 hours of CENTURY Tech PL.



Your Leading Learning Sessions: You will opt in to/ be invited to one of the FOUR Leading Learning courses available in 2018-2019. You will then attend ALL six sessions within this course.
